Service Leaders:

RABBI DEBRA SMITH has been one of Chai Center's partner rabbis for the last 8 years, leading monthly Shabbat study sessions and worship services. She is passionate about Jewish learning, storytelling, and creatively strives to make our faith and traditions accessible to all. One particular focus is in multi-faith education and outreach, to build bridges of understanding between faith communities.

CANTOR STEVEN DROPKIN has been our High Holy Day cantor for thirteen years. He injects his very special spirituality and comfort into our services. He has been actively involved in Jewish music for over four decades and is highly regarded as a major composer of contemporary Jewish music and liturgy. He has recorded six albums of original music and many of his songs are considered standards in synagogues, religious schools, and Jewish summer camps.
